Tom:

I am available all week. I assume that since your client wants to schedule the remaining depositions that it is not interested in exploring a resolution.

I would at very least like to depose your expert. Do you intend to depose Beverly Penzell, the inventory attorneys or defendants' expert? If so, I will need to coordinate their schedules. I would be happy to get these depositions scheduled, please call me to discuss.

Also, Steve, do you have anyone from Premier that you need to depose?

Joe

Joe-- Are you available to work out a schedule for remaining depositions next week? Perhaps we can each speak with our respective deponents/clients and nail down dates. Do you plan on taking any further depositions?

Have a great weekend.
